SVSC Board of Directors

RANGE ISSUES

- 1. Bulletin Board Cabinet:** All posting of flyers in the range will be done by the board. If you would like something posted, you must submit it to the board. You can no longer post flyers where you want, they will be removed.
- 2. Target Height:** The top of all targets must be **below** the yellow line on the range wall next to points 1 and 6.

Attention all Gun Club Members

There have been recent safety issues in the range that need immediate attention.

NO ONE should be going DOWN RANGE

Thanks to the new retrieval system, no one should be hanging targets.

You may go down range to clean/sweep/police up brass etc. HOWEVER

Before going down range, all firearms should be inspected and be cleared of any ammo.

- * Firearms **must** be leveled off and pointed down range.
- * For Semi Autos, the magazine **must** be removed first and then cleared - the chamber **must** remain open.
- * For revolvers the cylinder **must** be cleared and remain open.
- * Rifles will be cleared and chamber will remain open. Place the rifle at port arms (Muzzle facing up) and place the rifle on the rifle rack.
- * No one should be walking around with any firearm. **All firearms should be handled at the shooting point when starting and finishing.** Bring the pistol or rifle case to the shooting point.
- * **Utilize chamber indicators.** All firearms must have a chamber indicator. (Red or Orange flag).

Thank you in advance
